

FROM THE HOUSE OF GANDADKHAN

Every bite and every sip tells a story —  
from our family-run estate in  
Chikmagalur,  
where coffee's been nurtured since  
1889,  
to mom's desserts and soulful food,  
crafted with care and served with love.

What began as a humble bake lounge  
in the hills now lives on in every cup and  
plate —  
a blend of tradition, flavour, and  
heritage,  
baked, brewed, and plated fresh every  
day.

This isn't just a café.  
It's five generations of passion,  
gathered at your table.
